Cher, Magic In The Air

(Somthing's In The Air)
I feel something in the air
Something that was never there
I feel something started to live in me
Something only God could give to me
Could give to me

CHORUS:

I feel magic every where Even though I'm supposed to care About all the things that my neighbors Will think of me and how I should act When they said what a nice girl I used to be, I used to be

My mom will say my god what've you done I told you that boy was only a fun My daddy will raise like a storm on the sea Say now look what you've done to me Even though I care, I feel magic in the air

What's a matter with you baby Did you fall too hard when you fall in love You fall in love What's a matter with you baby Did you fall too hard

Chorus
