

# Cher, One By One - (Junior Vasquez Vocal Edit)

When you pray with every breath  
You know that is free as the love you have  
Where does it end  
It's too much for me to take  
There's no peace, you close your eyes  
I'm all out of truth, I'm outta alibis  
Where does it end  
It's too much for me to take

[Chorus]

We're gonna love one another 'til morning comes  
Seek the sweet salvation for what we've done  
Give up resisting one by one  
One by one  
He gives a new kinda meaning to what I am  
I know that I could never love any other man  
One of these days you'll understand  
Understand

And his face his heaven sent  
He makes me believe there must be something else  
Where does it end  
It's too much for me to take  
I can feel the need in you  
There isn't a thing, I want you do  
Where does it end  
It's too much for me to take

[Chorus x2]

We're gonna love one another 'til morning comes  
Sweet salvation for what we've done  
Give up resisting one by one One by one

We're gonna love one another

We're gonna love one another  
Give up resisting one by one  
One by one
