

# Cher, Song For You

I've been so many places  
In my life and time  
Sung a lot of songs  
I've made some bad rhyme  
I got out my life in stages  
With ten thousand people watching  
But we're alone now  
I'm singing this song  
Singing this song for you

I know your image of me  
Is what I hope to be  
I've treated you unkindly  
But darling can't you see  
There's no one more important to me  
Darling can you please see through me  
Cause we're alone now  
And I'm singing this song for you

You taught me precious secrets of the truth  
We're only nothing  
You came out in front when I was hiding  
But now I'm so much better  
And if my words can come together  
Listen to the melody  
Cause my love is in there hiding

I love you in a place  
Where there's no space or time  
I love you for my life  
You are a friend of mine  
And when my life is over  
Remember when we were together  
We were alone and  
I was singing this song for you  
Singing this song  
Singing this song for you
