

# Cher, Take Me For A Little While

I've been trying  
To make you love me  
But everything I try  
Just takes you further from me  
You don't love me  
So you treat me cruel  
But no matter how you hurt me  
I'll always be your fool

[Chorus:]  
If you don't want me forever  
And if you don't need me forever  
And if you can't love me forever  
Take me for a little while  
So I can hold you baby  
(For a little while)  
So I can make you want me

I've got to stop it  
There should be a law  
Cause every time you put me down  
I love you more  
And I feel so helpless  
And it ain't funny  
Cause deep inside I know  
You're never gonna love me

[Chorus]
