

Cher, Wasn't It Good

Wasn't it good
The way I touched you late last night
Wasn't it good, babe
In the mornin's early light

Did you know when you close that bedroom door
I bet ya didn't know
Exactly what I had in store

Wasn't it good
When ya felt it coming through ya
Wasn't it good
That I knew just how to do ya

Did you know you never had it like this before
Oh, I bet ya didn't know
You'd be coming right back for more, more, more

Let's have a party
Love's pouring out of my soul
Oh we'll party, hardy
And let the future take control

Just remember my darling
When there's time to spare
You'll be thinkin' bout me
And how hot it felt
Sayin' :wasn't it good, wasn't it good
So good

Did you know you never had it like this before
Oh, I bet ya didn't know
You'd be coming right back for more, more, more

Let's have a party
Love's pouring out of my soul
Oh we'll party, hardy
And let the future take control

So let's have a party
We'll make the best of it while we can
God, you won't be sorry
Cause I'm willing to please my man, my man

Just remember my darling
When there's time to spare
I'll be thinkin' bout you
And how hot it felt
Sayin' :wasn't it good, wasn't it good
So good

Wasn't it good, wasn't it good
Baby, baby so good
Did you love it, can you dig
Did I do it to ya baby so good
Did you want it, can you dig it
Do you love it baby, baby so good

Was it, was it really good?
You were loving it, didn't ya love it
Oh God I'm so ooh-shoot
Am I good?

Did ya love it, did ya want it

Can ya dig it baby, baby so good
