

# Cheri Dennis, Act Like You Know

## Verse

Most of the time you don't be trippin on me  
All of a sudden you wanna be the police (ooh)  
Lookin me up and down before I leave home  
Makin a big deal out of what I got on

## Chorus

But hey, you need to know  
I'm still the woman you got wit and I know my place  
I think you know  
These things whenever effecting now you hate  
Because you know  
You not the only one that's checkin for me  
But that's the way it goes  
In this relationship so act like you know

## Verse 2

You better know that I'm not gone be  
Rearrangin everything in my world  
Not gonna feel bad for chillin wit my girls (ooh)  
They already know I ain't goin nowhere  
You wanna believe they be puttin me out there

## Chorus (2x)

Hey, you need to know  
I'm still the woman you got wit and I know my place  
I think you know  
These things whenever effecting now you hate  
Because you know  
You not the only one that's checkin for me  
But that's the way it goes  
In this relationship so act like you know

## Bridge (2x)

I don't mean no disrepect  
But Um  
I was the same way when you met me  
And Um  
I ain't gonna leave just yet  
But um (ooh)

## Chorus (2x)

Hey, you need to know  
I'm still the woman you got wit and I know my place  
I think you know  
These things whenever effecting now you hate  
Because you know  
You not the only one that's checkin for me  
But that's the way it goes  
In this relationship so act like you know
