

# Cherry Poppin' Daddies, Shake Your Lovemaker

Hold dee door for ol' hi dee ho  
Step to da rhythm on da ballroom floor  
Tip down your glasses and give 'em a wink  
To all the flappers and the mob and Hollywood rat finks  
Strut your stuff, get loaded and jive  
Tip-tap your toes and do the Fred Astaire slide  
Savour the falvour all the kittens purr  
Just shake shake shake shake shake  
your little lovemaker

Shake Shake Shake  
Shake your lovemaker

Da blonde bombshell destroyin' men  
Her blue eyes are smokey like an opium den  
First she giggles and blows you a kiss  
Then she'll whisper sweet nothings like a serpent's hiss  
Broadway rhythm, top hat and cane  
Poppin' eyes and flashin' feet  
Forget the 9 to 5 swastika  
Just shake shake shake shake shake  
your little lovemaker

Shake Shake Shake  
Shake your lovemaker
