

Cherry Poppin' Daddies, Up From The Gutter

I'm a gutter war piranha
And I'm gonna get tight
We're so primitive
We just got to give civil a fright y'all
I'm a skinny little fucker
But I'll eat you alive
Subterranean homosapien
Takin' a bite y'all
I'm up from the gutter
I'm up from the gutter

Get yourself up up up from the gutter

I wanna suck blood from a big ass vein
In the W.A.S.R penitentiary
I'm criminally insane
I wanna upchuck money
On the funhouse floor
All the 50 stars
And the red and white bars
Ain't fit for a whore y'all
I'm up from the gutter
I'm up from the gutter

Get yourself up up up from the gutter
