

Cherryholmes, He Goes To Church

He wakes up early in the mornin'
Puts on his only blue suit
He hasn't quite mastered tyin' his tie on
The way his sweet Sarah used to
It's been years since he's talked to the good Lord
He's not sure he even knows how
But he won't be mowin' the front yard today
He goes to church on Sundays now
No, he don't know the words to
