

# Cherryholmes, I'll Never Shed Another Tear

I used to sit alone at night and worry, little darlin'  
For I thought you meant the world to me  
But now things have changed and those days are gone forever  
So I'll never shed another tear  
I'll never shed another tear, I don't care what happens  
You have proved your love untrue to me  
There's nothing you can do that will ever change my feelings  
So I'll never shed another tear  
With a broken heart I'll never forget those vows we made together  
Many days you told me not to fear  
But now you've forgotten and you've left me here forever  
So I'll never shed another tear  
I'll never shed another tear, I don't care what happens  
You have proved your love untrue to me  
There's nothing you can do that will ever change my feelings  
So I'll never shed another tear  
Now you should have told me, dear, that you were only foolin'  
Then I'd never learned to love you so  
Then I wouldn't have all these heartaches, my darlin'  
Dreading the day I'd see you go  
I'll never shed another tear, I don't care what happens  
You have proved your love untrue to me  
There's nothing you can do that will ever change my feelings  
So I'll never shed another tear
