

Cherryholmes, I'll Never Shed Another Tear

I used to sit alone at night and worry, little darlin'
For I thought you meant the world to me
But now things have changed and those days are gone forever
So I'll never shed another tear
I'll never shed another tear, I don't care what happens
You have proved your love untrue to me
There's nothing you can do that will ever change my feelings
So I'll never shed another tear
With a broken heart I'll never forget those vows we made together
Many days you told me not to fear
But now you've forgotten and you've left me here forever
So I'll never shed another tear
I'll never shed another tear, I don't care what happens
You have proved your love untrue to me
There's nothing you can do that will ever change my feelings
So I'll never shed another tear
Now you should have told me, dear, that you were only foolin'
Then I'd never learned to love you so
Then I wouldn't have all these heartaches, my darlin'
Dreading the day I'd see you go
I'll never shed another tear, I don't care what happens
You have proved your love untrue to me
There's nothing you can do that will ever change my feelings
So I'll never shed another tear
