## Cherryholmes, I'll Never Shed Another Tear

I used to sit alone at night and worry, little darlin' For I thought you meant the world to me But now things have changed and those days are gone forever So I'll never shed another tear I'll never shed another tear, I don't care what happens You have proved your love untrue to me There's nothing you can do that will ever change my feelings So I'll never shed another tear With a broken heart I'll never forget those vows we made together Many days you told me not to fear But now you've forgotten and you've left me here forever So I'll never shed another tear I'll never shed another tear, I don't care what happens You have proved your love untrue to me There's nothing you can do that will ever change my feelings So I'll never shed another tear Now you should have told me, dear, that you were only foolin' Then I'd never learned to love you so Then I wouldn't have all these heartaches, my darlin' Dreading the day I'd see you go I'll never shed another tear, I don't care what happens You have proved your love untrue to me There's nothing you can do that will ever change my feelings So I'll never shed another tear
