

Cheryl Cole, Fight For This Love

Too much of anything can make you sick
Even the good can be a curse
Makes it hard to know which road to go down
Know when too much can get you hurt

Is it better, is it worse
Are we sitting in reverse
It's just like we're going backwards (backwards)
I know where I want this to go
Driving fast but let's go slow
What I don't want to do is crash, no

Just know that you're not in this thing alone
There's always a place in me that you can call home
Whenever you feel like we're growing apart
Let's just go back, back, back to the start

Anything that's worth having is sure enough worth fighting for
Quitting's out of the question
When it gets tough gotta fight some more
We gotta fight, fight, fight, fight, fight for this love x3
If it's worth having it's worth fighting for

Now everyday ain't gonna be no picnic
Love ain't no walk in the park
All you can do is make the best of it now
Can't be afraid of the dark

I don't know where we're heading
I'm willing and ready to go
We've been driving so fast
We just need to slow down and just roll
We gotta fight, fight, fight, fight, fight for this love x3
If it's worth having it's worth fighting for
