

# Cheryl Cole, Promise This

Allouette

In the beginning  
There was nothing  
So empty  
In the space between  
Then you came in  
Turned the lights on  
And created  
What has come to be

Before I hook your wings  
Cover me, please  
Spread your wings  
Cover me and

Promise this  
If I die before I wake, oh  
Promise this  
Take the time to say your grace  
On your knees  
You'll pray for me  
Promise this  
Be the last to kiss my lips

Allouette

Though I'm walking  
Through the shadows  
You were with me  
And you comfort me  
Lay me down now  
Time for sleeping  
But before that  
Would you restore me  
Before I hook your wings  
Cover me, please  
Spread your wings  
Cover me

Promise this  
If I die before I wake, oh  
Promise this  
Take the time to say your grace  
On your knees  
You'll pray for me  
Promise this  
Be the last to kiss my lips

That's where we're hanging on  
[www.musicloversgroup.com](http://www.musicloversgroup.com)  
And I hope you don't let me go  
If you ever leave me  
Know I wanna go with you

Promise this  
If I die before I wake, oh  
Promise this  
Take the time to say your grace  
On your knees  
You'll pray for me  
Promise this

Be the last to kiss my lips
