

# Cheryl Cole, Rain On Me

(\*Louis Biancaniello, Olivia Waithe, Kipner / \*Prod. by Wayne Wilkins, Sam Watters)

It's a sunny day  
So I got nowhere to hide  
Not a cloud in the sky  
So I'm pretending I've got something in my eyes  
Just so you won't see me cry  
So I wait for the storm, (oooh)  
To hide all my tears  
But it's taking too long  
But I won't run for the door, (oooh)  
'Coz if you think I'm weak then that makes you strong  
So rain on me,  
What's the price of thunder?  
Rain on me  
It's like I'm waiting in a hundred degrees  
So rain on me  
I'll be standing under  
So rain on me  
Disguise my tears so that you'll never see  
Let it rain (let it rain, let it rain on me, let it rain, let it rain on me)  
Let it rain (my tears are the rainfall and flow right to the sea)  
Let it rain (let it rain, let it rain on me, let it rain, let it rain on me)  
Let it rain (my tears are the rainfall and flow right to the sea)  
I won't give you the pleasure  
To see me breaking  
And that's how you'll remember me  
You're not worth it  
I'll get better, only down for a second  
I won't give you the victory  
So I wait for the storm, (oooh)  
To hide all my tears  
But it's taking too long  
But I won't run for the door, (oooh)  
'Coz if you think I'm weak then that makes you strong  
So rain on me,  
What's the price of thunder?  
Rain on me
