

Cheryl Cole, Screw You ft. Wretch 32

We can?t unlove
Not like this
You broke me down
Do I even exist?
After everything
Given you everything
Love is so lonely

Can?t believe all the s*** I did for you,
Was so caught up in the love I felt for ya
I was never enough,
I never got your love.
I loved you so much
But you never gave a f***
So screw you
I can still remember our first date,
Never thought I would scream: I hate ya!

You know it turns me on
When the beat starts dirty dancing...
The way it calls to me
I can almost feel it's rage...
