

Cheryl Lynn, Shake It Up Tonight

I can't wait until the sun goes down
I'm gettin' ready
See the moonlight on the town
I'm gettin' ready
I'm gonna put on my steppin' shoes
'Cause I'm gettin' ready
Walk the streets and spread the news
I'm gettin' ready
I'm gonna call you on the telephone
Gonna tell somebody's there's a party goin' on
Shake it up tonight, ooh, ooh
Show you how to party right (Yeah)
Shake it up tonight, ooh, ooh
Show you how to party right (Yeah, uh-uh)
Gonna be a lot of people there
Don't you wanna be ready
There'll be comin' from everywhere
I'm gettin' ready
Don't you know I wanna be with you tonight
Ah, ho oh oh
Come on, baby, 'cause we're gonna do it right
I'm gettin' ready
Let the pillow rhythm in your heart
Just put your hands together when the music starts
Shake it up tonight, ooh, ooh
Show you how to party right (Yeah)
Shake it up tonight, ooh, ooh
Move your body left and right (I wanna, I wanna)
Shake it up tonight, ooh, ooh
Show you how to party right (Shake it up tonight)
Shake it up tonight, ooh, ooh
Dance the night away
Oh ho, hoo, hoo
Shakin' my body up and down tonight
Said the time is right
Oh, I'm gonna shake my body tonight
And move my hips from left to right, whoa hoo
I'm gonna shake my body tonight
I wanna shake it down now
Ho
I can't wait until the sun goes down
I'm gettin' ready
See the moonlight on the town
I'm gettin' ready
I'm gonna put on my steppin' shoes
'Cause I-I wanna be ready
Walk the streets and spread the news
There's a party
Call my friends up on the telephone
Let's all together and we'll get off, now let's party
Shake it up tonight, ooh, ooh
Show you how to do it right (Yeah)
Shake it up tonight, ooh, ooh
Show you how to party right
I wanna show you how to party right
I wanna show you how to get down tonight
I wanna show you how to have some fun
I wanna show you how it can be done
Shake it, shake it up tonight, ooh, ooh (Oh)
Show you how to party right (Oh)
Shake it up tonight, ooh, ooh (Oh)
Show you how to party right (Oh)
Shake it, shake it up tonight, ooh, ooh (Oh)
Show you how to party right

Shake it, shake it up tonight, ooh, ooh
Show you how to party right
Shake it, shake it up tonight (I'm gonna show you to party), ooh, ooh
Show you how to party right (I'm gonna show you how to party right)
Shake it, shake it up tonight, ooh, ooh
Show you how to party right
Shake it, shake it up tonight, ooh, ooh
Show you how to party right
