

Chesney Kenny, The Tin Man

Saw a man in the movies that didn't have a heart
How I wish I could give him mine
Then I wouldn't have to feel it breakin' all apart
And this emptiness inside would suit me fine
It's times like these I wish I were the Tin Man
You could hurt me all you wanted I'd never even know
And I'd give anything just to be the Tin Man
Then I wouldn't have a heart and I wouldn't need a soul
I couldn't see your leavin' coming it took me by surprise
Even now still seems like a dream
But I know I can't be dreaming 'cause as I lay down each night
The pains so great that it won't let me sleep
It's times like these I wish I were the Tin Man
You could hurt me all you wanted I'd never even know
Well I'd give anything just to be the Tin Man
And I wouldn't have a heart and I wouldn't need a soul
I'd give anything just to be the Tin Man
And I wouldn't have a heart and I wouldn't miss you so
