Chesnutt Mark, Let It Rain

Storm clouds rising, flash of lightning Rattles that old porch swing Window open, curtains dancing Just you and me As the thunder rolls on, we'll just hold on, 'Neath the light of this candle flame Oh this is perfect, what a night, Let it rain Let your love come down All around, let it fill my heart Let it flood this house Let the world outside, just wash on by We'll just lay right here, and hold on tight Let it rain, let it rain Old man weather, had it together When he planned this night From out of the blue, he set the mood Turned out the lights Just when we thought the storm was over Here it comes again. So lay back down in these arms, Let it rain Let your love come down All around, let it fill my heart Let it flood this house Let the world outside, just wash on by We'll just lay right here, and hold on tight Let it rain, let it rain Let it rain
