Lord Loves A Drinkin Man

Lord loves a drinkin man

he sent honky tonk angels to the promise land

i hear that he can turn water to wine, any man that can do that aw, he's a good friend of mine

i've been baptised in beer i'm here to testify, i was speakin in tounes when i came home last night

some folks say i'm livin in sin but i know,the lord loves a drinkin man
