Lost In The Feeling

We step out on the dance floor the band starts to play

Holding you close I get carried away

Finding that falling is easy to do

Lost in the feeling with you

Time's standing still as I Whirl you around

We're dancing without even touching the ground

Finding that falling is easy to do

Lost in the feeling with you

No words are spoken

None need to be said

You and the music

Have gone to my head

But I'll just go on when the music is through

Lost in the feeling with you

Lost in the feeling with you

Lost in the feeling with you
