

Chesnutt Mark, Lucky Man

Chesnutt Mark

Miscellaneous

Lucky Man

Lightning hit that oak tree we've been lookin' at for years

This summer oh I know we'll miss the shade - we just made it through

The coldest winter we ever knew and our ole hound Dixie passed away

Yeah I guess love got things to be down about but in spite of it all honey aint no doubt

Chorus

I'm livin' the life of a lucky man

Countin' my blessings holdin' your hand

I thank the Lord above for sendin' me your love

And for givin' me the life of a lucky man

So many things we talk about never do come true

But Heaven knows I wish they could for you - believe me I know

You should be tempted to go that would be the easy thing to do

So many just give up and walk away but in spite of it all you're strong enough to stay

Repeat Chorus

Bridge

I guess love got things to be down about

But in spite of it all honey aint no doubt
