Chesnutt Mark, Lucky Man

Chesnutt Mark
Miscellaneous
Lucky Man
Lightning hit that oak tree weove been lookino at for years
This summer oh I know weoll miss the shade - we just made it through
The coldest winter we ever knew and our ole hound Dixie passed away
Yeah I guess love got things to be down about but in spite of it all honey aint no doubt

lom livino the life of a lucky man

Counting my blessings holding your hand I thank the Lord above for sending me your love

And for giving me the life of a lucky man

So many things we talk about never do come true
But Heaven knows I wish they could for you - believe me I know
You should be tempted to go that would be the easy thing to do
So many just give up and walk away but in spite of it all youore strong enough to stay

Repeat Chorus

Bridge

I guess love got things to be down about But in spite of it all honey aint no doubt
