Postpone The Pain

Im dying to forget about those goodbye words you said

I thought everything was right but you went and left instead

No pain, no gain, well Im not out to win

All I really want to do is live to love again

Trying to postpone the pain - Stay in from the rain

Buy a little time - Keep you off my brain

Get out and go insane - Stay off memry lane

Tonight Ill be flying trying to postpone the pain

Until that day arrives

Ill spend all my nights

Trying to postpone the pain - Stay in from the rain

Buy a little time - Keep you off my brain

Get out and go insane - Stay off memry lane

Tonight Ill be flying trying to postpone the pain

The best way to survive

Is spending all my nights

Trying to postpone the pain - Stay in from the rain

Buy a little time - Keep you off my brain

Get out and go insane - Stay off memry lane

Tonight Ill be flying trying to postpone the pain
