Miscellaneous

Vickie Vance Gotta Dance

Spinnin those curlers round all day
Her little beauty shop provides a way
To work at home and sleep in late
So she can dance the night away

Pilot gotta fly---eagle gotta soar
Give a baby candy---gotta give it more
Cowboy gotta ride---gambler gotta chance
Vickie Vance gotta dance---Vickie Vance gotta dance

She can be dancin to nothin at all
And she does a mean swing with the shadows on the wall
Yeah and I bet shes done the two step a million times
Yeah she drives all the boys on the dance floor wild

Pilot gotta fly---eagle gotta soar
Give a baby candy---gotta give it more
Cowboy gotta ride---gambler gotta chance
Vickie Vance gotta dance---Vickie Vance gotta dance

Oooh, she cant stand still
Yeah, shes dancin off the wall
Dancin on the window sill
