Brother Jukebox -- Mark Chestnutt

-----  
CHORUS:

] Brother jukebox  
] Sister wine  
] Mother freedom  
] Father of time  
] Since she left me, by myself  
] You're the only familee, I've got left

I go down to that ol' cafe  
Where I try to wash my troubles away  
I'm still down and I'm still all alone  
But it beats stayin' home all night long

-- CHORUS --

I go home, and I climb that ol' stairway  
And I tell myself that tommorow's a new day  
But I know, I'll just go out again  
And spend my time with my new next of kin

-- CHORUS ( Twice ) --

You're the only familee, I've got left
