

# Chet Faker, Talk is cheap

Oh so, your weak rhyme  
You doubt I'll bother reading into it  
I'll probably wont  
Left to my own devices  
But that's the difference in our opinions

You're a mouthful  
That amounts for another week on my own  
Now I'm a novel made resourceful  
I start a chain with my thought

Talk is cheap, my darling  
When you're feeling right at home  
I wanna make you move with confidence  
I wanna be with you alone

Said help me help you start it  
You're too comfortable to know  
Throwing out those words  
Oh, you gotta feel it on your own

Cold pain  
I cannot sustain it  
That's what I'm thinking  
Not what I'm drinking

I hold up my ways  
These thoughts are pervasive  
It's not a statement  
But peace can be evasive

You're a mouthful  
That accounts for another week on my own  
Now I'm a novel made resourceful  
I start a chain with my thought

Talk is cheap, my darling  
When you're feeling right at home  
I wanna make you move with confidence  
I wanna be with you alone

Said help me help you start it  
You're too comfortable to know  
Throwing out those words  
Oh, you gotta feel it on your own

Talk is cheap, my darling  
When you're feeling right at home  
I wanna make you move with confidence  
I wanna be with you alone

Said help me help you start it  
You're too comfortable to know  
Throwing out those words  
Oh, you gotta feel it on your own
