

# Chevelle, Still Running

(Say it, say it)  
(Say it, say it)

Alone, you support, and embrace  
Another reason to see  
Sucess, we unfold, clutching firm  
Letting me panic for sure

Say it, say it, that it's done  
I want it, want it, need it done  
Say it, say it, that it's done  
I want, it want it, need it done

The lie, want to know, has it met?  
Expectations so far

Say it, say it, that it's done  
I want it, want it, need it done  
Say it, say it, that it's done  
I want, it want it, need it done

Still running!  
Never waking up, say it  
Still running!  
Never waking up, say it  
Still running!  
Never waking up, say it

Selfishly walking through killing the angles  
To picking and choosing to screw all of us one by one!

So run, make amends, feeling torn  
Boy you better be sure (sure)!

Still running!  
Never waking up, say it  
Still running!  
Never waking up, say it  
Still running!  
Never waking up, say it  
Still running! (x4)

Say it, say it, that it's done  
I want it, want it, need it done  
Say it, say it, that it's done  
I want, it want it, need it done
