

# Cheyenne Kimball, Hello Goodbye

[Verse 1]

Am I speaking Japanese? I told you 20 times when neat but you still don't get it  
It doesn't mean that I'm not sad,  
But I know what we had went bad and you still--you don't get it

[Chorus]

Hello hello hello I'm saying  
Goodbye goodbye goodbye but your Staying I know I know I know  
You've been hoping  
I promise my doors not open  
Hello hello hello I'm saying  
Goodbye goodbye goodbye but your staying I know I know I know  
You've been waiting  
Hello Goodbye nothings changing

[Verse 2]

Showing up outside my house and Coming over unannounced man  
You are so crazy and then  
You try to beg my brain  
The information is the same  
You and I don't belong where this fight now is wrong  
And if you feel I've led you on  
YOU MISREAD IT

[Chorus]

Hello hello hello I'm saying  
Goodbye goodbye goodbye but your Staying I know I know I know  
You've been hoping  
I promise my doors not open  
Hello hello hello I'm saying  
Goodbye goodbye goodbye but your Staying I know I know I know  
You've been waiting  
Hello Goodbye nothings changing

[Bridge]

Yeah I'm sorry we don't feel the same  
I don't wanna hurt you  
I just want you to go awaaaaayy

[Music instrumental]

[Chorus]

Hello hello hello I'm saying  
Goodbye goodbye goodbye but your Staying I know I know I know  
You've been hoping  
I promise my doors not open  
Hello hello hello I'm saying  
Goodbye goodbye goodbye but your Staying I know I know I know  
You've been waiting  
Hello Goodbye nothings changing  
Hello hello hello  
Hello hello hello
