

# Chic, Give Me The Lovin

Give me the lovin', come on  
Give me the lovin'  
Give me the lovin', come on  
Give me the lovin'  
Take it easy  
You been teasing me all night  
Can't wait to please you  
You know I'll do it right  
Baby, I'm warning you  
Might get a little rough  
You better grab me  
And hold on tight  
Give me the lovin', come on  
Give me the lovin'  
Give me the lovin', come on  
Give me the lovin'  
You're gonna pay, oh  
For making' me wait  
Shy as a boy  
On his first date  
Give me the love I want  
Give it to me now  
No more games  
No time to hesitate  
Give me the lovin', come on  
Give me the lovin'  
Give me the lovin', come on  
Give me the lovin'  
I want to, I want to, I want to be possessed  
I want to, I want to, I want to be caressed  
I need to, I need to, I need to be owned  
I need to, I need to, I need to be shown  
Give me, give me  
The lovin', the lovin'  
Come on, come on  
Give me the lovin', give me the lovin'
