Chic, My Feet Keep Dancing

Dancing, dancing My feet keep dancing, dancing, dancing My feet keep dancing, dancing My feet keep dancing, dancing, dancing

I need some help, I get beside myself And I got so many things in life to do Like, reach for a star Or maybe shoot ten under par I'd like to do it all before I'm through Fly into space, or maybe save the human race All these things seem so appealing But I'll never get the chance Cuz all I do is dance My mama said my brains are in my feet

Dancing, dancing My feet keep dancing, dancing, dancing My feet keep dancing, dancing My feet keep dancing, dancing, dancing

Dancing, dancing My feet keep dancing, dancing, dancing My feet keep dancing, dancing My feet keep dancing, dancing, dancing

Papa told me Every night when he would scold me He knew I'd never make him very proud So I ran away from home to live all alone And make myself a stand-out in the crowd Then it hit, my ideas began to fit I had to be what I was meant to be Now my name is up in lights And I hoof here every night They were right My brains are in my feet
