

# Chic, My Forbidden Lover

My forbidden lover  
I don't want no other

I fell in love  
And I didn't want to do it cuz I knew  
That your love wasn't true  
You try to hide that sinister appearance  
And the lies, (whew) those alibies  
You give your love to anyone who asks  
Yes you do  
And I know that it's true  
But still I care  
And I want to see you there  
When I need, yes indeed, you are

My forbidden lover  
I don't want no other

I can't resist  
That very strong urge to have you dear  
Oh, please come here  
Just let me love you  
Any time and any place we dare  
We'll just let them stare  
You want to love everybody  
And everything you can  
You're the typical man  
Yet still and all, I'm at your beck and call  
When you need, yes indeed, you are

My forbidden lover I don't want no other

My love is forbidden  
We keep our love hidden

My forbidden lover I don't want no other
