

Chic, You Are Beautiful

Oh you are beautiful, you are beautiful
Oh you are beautiful, you are beautiful
Love could be so tender
Don't you know
Like it was, remember, long ago
My cards are on the table
At a glance
Unlike Clark Gable
Frankly, my dear - I give a damn
Oh you are beautiful, you are beautiful
Oh you are beautiful, you are beautiful
Although I might be reachin'
For a star
Even when I'm sleepin', dreamin'
Sneakin', thinkin' there you are
I feel like a million bucks
When you're around
I hold my head so high up
Like somewhere in the clouds
Oh you are beautiful, you are beautiful
Oh you are beautiful, you are beautiful
You're beautiful to me, baby
You you, you you, you you
You're beautiful to me, baby
You you, you you are beautiful
Oh you are beautiful, you are beautiful
Oh you are beautiful, you are beautiful
Oh, you you are beautiful
You you are beautiful
