

Chicago, 3rd Movement

Hey, everybody
Won't you just look around?
Can't anybody see
Just what's going down?
Can't you take the time?
Just to feel, just to feel what is real
If you do, then you'll see that we got a raw deal
They're killin' everybody, they're killin' me and you
The fightin' and killin' everybody, I wish it weren't true
They say we got to make war
Or the economy will fall
But if we don't stop
We won't be around no more
They're ruining this world
For you and me
The big heads of state
Won't let us be free
They made the rules once
But it didn't turn out
Now we must try again
Before they kill us off
No more dying
No more killing
No more dying
No more fighting
We don't want to die
We don't want to die
Please, let's change it all
Please, let's make it all
Good for the present
And better for the future
Love one another
Let's show peace for each other
We can make it happen
Let's just make it happen
We can change the world
Please, let's change this world
Please, let's make it happen
For our children, for our women
Change the world
Please make it happen
Come on, come on
Yeah please, come on
It's up to me, it's up to you
Come on, let's do it now
Yeah, do it now
