Chicago, 3rd Movement

Hey, everybody Won't you just look around? Can't anybody see Just what's going down? Can't you take the time? Just to feel, just to feel what is real If you do, then you'll see that we got a raw deal They're killin' everybody, they're killin' me and you The fightin' and killin' everybody, I wish it weren't true They say we got to make war Or the economy will fall But if we don't stop We won't be around no more They're ruining this world For you and me The big heads of state Won't let us be free They made the rules once But it didn't turn out Now we must try again Before they kill us off No more dying No more killing No more dying No more fighting We don't want to die We don't want to die Please, let's change it all Please, let's make it all Good for the present And better for the future Love one another Let's show peace for each other We can make it happen Let's just make it happen We can change the world Please, let's change this world Please, let's make it happen For our children, for our women Change the world Please make it happen Come on, come on Yeah please, come on It's up to me, it's up to you Come on, let's do it now Yeah, do it now
