

Chicago, Beginnings (LP Version)

When I'm with you
It doesn't matter where we are
Or what we're doing
I'm with you, that's all that matters
Time passes much too quickly
When we're together laughing
I wish I could sing it to you, you never know
How I wish I could sing it to you
Wo wo wo
Wo wo wo
Mostly I'm silent, I'm silent
I even know how to hold your hand
But when I kiss you
I feel a thousand different feelings
The color of chills
All over my body
And when I feel them
I quickly try to decide which one
I should try to put into words to tell her
Try to put it into words
Wo wo wo
Wo wo wo
Silent, silent
Only the beginning
Of what I want to feel forever
Only the beginning
Of what I want to feel forever
Only the beginning, it's only just the start
I've got to get you into my life and into my head
It's only the beginning, don't you worry
It's only just the start, only just the start
Only the beginning
Only the beginning
Only the beginning
