

# Chicago, Does Anybody Really Know What Time

As I was walking down the street one day  
A man came up to me and asked me what the time was that was  
on my watch, yeah

And I said

Does anybody really know what time it is

I don't

Does anybody really care

care

If so I can't imagine why

about time

We've all got time enough to cry

Oh no, no

And I was walking down the street one day

A pretty lady looked at me and said her diamond watch had  
stopped cold dead

And I said

Does anybody really know what time it is

I don't

Does anybody really care

care

If so I can't imagine why

about time

We've all got time enough to cry

Oh no, no

And I was walking down the street one day

Being pushed and shoved by people trying to beat the clock,

oh, so I just don't know,

I just don't know

And I said, yes I said

Background Vocal:

People runnin' everywhere

Don't know the way to go

Don't know where I am

Can't see past the next step

Don't have to think past the last mile

Have no time to look around

Just run around, run around and think why

Does anybody really know what time it is

I don't

Does anybody really care

care

If so I can't imagine why

about time

We've all got time enough to die

Oh no, no
