

Chicago, Here In My Heart

I keep on thinkin' I should be free
This time just leave it alone
With 17 reasons not to believe
Nothin' goes, everybody knows
Like you always want it to be

But here in my heart
There's a dream that's unbroken
And it gets in my way
But it won't be denied
Here in my heart the door is still open
Waiting for you to walk into my life, ooh, ooh

What I've been feelin' I can't explain
Lost in the blues of your eyes
And I'm fallin' so hard
Just like the rain
Comes a time when you cross the line
And you know you got to believe

'Cause here in my heart
There's a dream that's unbroken
An' it gets in my way
But it won't be denied
Here in my heart the door is still open
Waiting for you to walk into my life

I know that I may never sleep again
'Till I see you, ooh, ooh
Oh, baby, I know, I know
Life is too short and I can't pretend
It's not about you (not about you)
Can't do without you

Wooo, hooo, but here in my heart
There's a dream that's unbroken
And it gets in my way (gets in my way)
But it won't be denied
Here in my heart (here in my heart)
The door is still open
Waiting for you to walk into my life

There's a dream that's unbroken
It gets in my way
But it won't be denied
Here in my heart (here in my heart)
The door is still open
Waiting for you to walk into my life
In my life (in my life)
In my life (in my life)
