

Chicago, I Don't Wanna Live Without Your Love

Thought it wouldn't matter
If we didn't stay together,
And if it was over,
Maybe it was for the better.
I was thinking I'd be alright,
'til I thought it all through.
Now I know that I ain't really living
If I have to live without you.

I don't wanna live without your love,
I don't wanna face the night alone.
I could never make it through my life
If I had to make it on my own.
I don't wanna love nobody else,
I don't wanna find somebody new.
I don't wanna live without your love,
I just wanna live my life with you.

Guess I had to go away,
So much I had to go through.
Guess I had to lose you
To realize how much I love you.
Can we make the fire burn again,
Burn a little stronger?
'Cause I've been alone, and baby,
I can't be alone now any longer.

I don't wanna live without your love,
I don't wanna face the night alone.
I could never make it through my life
If I had to make it on my own.
I don't wanna love nobody else,
I don't wanna find somebody new.
I don't wanna live without your love,
I just wanna live my life with you.

Oh, if I had to make it on my own,
My life would never be the same,
My love would never be the same.
I don't wanna live without your love.

I don't wanna live without your love,
I don't wanna face the night alone.
I could never make it through my life
If I had to make it on my own.
I don't wanna love nobody else,
I don't wanna find somebody new.
I don't wanna live without your love,
I just wanna live my life with you.
