

Chicago, I'm A Man

Well my pad is very messy, got whiskers on my chin
Never had no problems 'cause I've always paid the rent
I got no time for lovin'
Cause my time is all used up
I stand outside creatin'
All the groovy kinds of love
I'm a man, yes I am and I can't help but love you so
Oh baby
I'm a man, yes I am and I can't help but love you so
Yes I am
If I had my choice of matter
I'd would rather be with cats
All engrossed in mental chatter,
Showing where your mind is at
While relating to each other
How strong the love can be
By resisting all the good times with each groovy chick we see
I'm a man yes I am and I can't help but love you so
Oooh, I'm a man, yes I am
I'm a man yes I am and I can't help but love you so
I love to hear you talk
I've got to keep my image
While I'm standing on the floor
If I drop upon my knees
It's just to keep them on my nose
You think that I'm not human
And my heart is made of stone
But I've never had no problems
And my body's pretty strong
I'm a man yes I am and I can't help but love you so
Yeah, yeah, yeah, yes I know
I'm a man yes I am and I can't help but love you so
Oooh
Man yes I am and I can't help but love you so
Good god I love you so, love you so
If I had my choice of matter
I would rather be with cats
All engrossed in mental chatter
Knowin' where your mind is at
While relating to each other
How good a love can be
By resisting all the good times with each groovy chick we see
I'm a man yes I am and I can't help but love you so
Yes I am
I'm a man yes I am and I can't help but love you so
Yeah, yeah yeah. I'm a
Man yes I am and I can't help but love you so
I'm a man, ooh yes I am
I gotta keep my image
While I'm standin on the floor
If I drop upon my knees (?)
?
You think that I'm not human
And my heart is made of stone
But I never had no problems
And my body's pretty strong
I'm a
Man, yes I am, and I can't help but love you so
Owww.. I'm A
Man, yes I am, and I can't help but love you so
Man, yes I am, and I can't help but love you so
Man, yes I am, and I can't help but love you so
