

Chicago, It's Hard For Me To Say I'm Sorry/Get A

Everybody needs a little time away,
I heard her say, from eachother.
Even lovers need a holiday,
far away, from eachother.
Hold me now.
It's hard for me to say I'm sorry.
I just want you to stay.
After all that we've been through.
I will make it up to you, I promise you. (baby)
And after all that's been said and done.
You're just the part of me I can't let go.
Couldn't stand to be kept away,
Not for a day, from your body. (not even a day)
Wouldn't want to be swept away, (away)
far away, from the one that I love.
Hold me now.
It's hard for me to say I'm sorry.
I just want you to know. (you to no)
Hold me now.
I really want to tell you I'm sorry.
I could never've let you go.
After all that we've been through.
I will make it up to you.
I promise you.
And after all that's been said and done.
You're just a part of me I can't let go. (i cant let go)
After all that we've been through.
I will make it up to.
I promise to.
You're gonna be the lucky one.
(((Music changes to Get Away)))
When we get there gonna jump in the air.
No one sees us cause there's nobody there.
After all you know we really don't care.
Hold on, I was gonna take you away.
