

Chicago, Loneliness Is Just A Word

(Robert Lamm)

You don't know how bad it's been
Since you been gone
Let me tell you how bad it's been
Since you been gone
People speak but I don't hear
Things all around seem to be unclear
I don't know
What will become of the love you turned off
What will become of the need you turned off
Loneliness is just a word
That's very cold
People stare but they don't see
All of the hurt that's inside me
I don't know
