

Chicago, Moonlight Serenade

Stars are aglow
And tonight how their light sets me dreaming
My love, do you know that your eyes
Are like stars brightly beaming?
I bring you and sing you
A moonlight serenade
Let us stay till break of day
In love's valley of dreams
You and I, a summer sky
A heavenly breeze kisses the trees
So don't let me wait
Come to me tenderly in the June light
I stand at your gate
And I sing you a song in the moonlight
A love song, my darling
A moonlight serenade
We can stay till break of day
In love's valley of dreams
You and I, a summer sky
A heavenly breeze kisses the trees
So don't let me wait
Come to me tenderly in the June light
I stand at your gate
And I sing you a song in the moonlight
A love song, my darling
A moonlight serenade
A moonlight serenade
[Incomprehensible] tonight
[Incomprehensible] tonight, tonight
In the moonlight
[Incomprehensible] tonight
[Incomprehensible] tonight
