

Chicago, Night & Day

Night and day
Night and day
Night and day
Oh, lovely one

Night and day
You are the one
Only you beneath the moon
Under the sun

Whether near to me or far
It's no matter, darlin'
Where you are
I think of you
Night and day

Night and day
Why's it so
That this longing for you
Follows wherever I go

In the roaring traffic's boom
In the silence of my lonely room
I think of you, night and day

Night and day
Under the hide of me
There's an old, such a hungry yearnin'
Burnin' inside of me

And this torment won't be through
'Till you let me spend my life
Making love to you
Day and night, night and day

Night and day
Under the hide of me
There's an old, such a hungry yearnin'
Burnin' inside of me

And this torment won't be through
'Till you let me spend my life
Making love to you
Day and night, night and day

You are the one, you are the one
You are the one
Night and day, day and night
Oh, I think of you, whoo

Let me spend my life with you
Makin' love
Day and night, night and day

You, you, you
