

# Chicago, Vote For Me

(Words and music by Robert Lamm)

Vote for me, vote for me  
I want the nomination for the Presidency  
Vote for me, vote for me  
If I am elected, this is how it will be.  
I'll cut your tax in half  
I'll make the Russians laugh  
I'll feed the hungry people everywhere.  
I'll bring the railroads back  
New trains and new track  
From Waikiki to old Delaware.  
Vote for me, vote for me  
I want the nomination for the Presidency  
Vote for me, vote for me  
If I am elected, this is how it will be.  
I'll give Detroit one year  
New cars that run on beer  
Or anything except gasoline.  
I'm looking to the sun  
More power for everyone  
And the cleanest sky that you've ever seen.  
I'm not going to kid you, there's a lot to do  
Little can I promise, it's really up to you  
But if we all work together  
And I think we can  
And if you want some new ideas  
Then I'm your man.  
Vote for me, vote for me  
I want the nomination for the Presidency  
Vote for me, vote for me  
If I am elected, this is how it will be.  
I'll work for global peace  
And the sweet release  
Of the love and human kindness in us all.  
I would give all I've got  
You just give me a shot  
Somehow, I know that I can win the fall.
