Chicago, Vote For Me

(Words and music by Robert Lamm)

Vote for me, vote for me I want the nomination for the Presidency Vote for me, vote for me If I am elected, this is how it will be. I'll cut your tax in half I'll make the Russians laugh I'll feed the hungry people everywhere. I'll bring the railroads back New trains and new track From Waikiki to old Delaware. Vote for me, vote for me I want the nomination for the Presidency Vote for me, vote for me If I am elected, this is how it will be. I'll give Detroit one year New cars that run on beer Or anything except gasoline. I'm looking to the sun More power for everyone And the cleanest sky that you've ever seen. I'm not going to kid you, there's a lot to do Little can I promise, it's really up to you But if we all work together And I think we can And if you want some new ideas Then I'm your man. Vote for me, vote for me I want the nomination for the Presidency Vote for me, vote for me If I am elected, this is how it will be. I'll work for global peace And the sweet release Of the love and human kindness in us all.

I would give all I've got You just give me a shot

Somehow, I know that I can win the fall.
