

# Chicago, Where Do We Go From Here

Every day just gets a little shorter, don't you think?  
Take a look around you, and you'll see just what I mean  
People got to come together, not just out of fear  
Where do we go?  
Where do we go?  
Where do we go from here?  
Try to find a better place, but soon it's all the same  
What once you thought was a paradise is not just what it seems  
The more I look around I find the more I have to fear  
Where do we go?  
Where do we go?  
Where do we go from here?

I know it's hard for you to change your way of life  
I know it's hard for you to do  
The world is full of people, dying to be free  
So if you don't my friend  
There's no life for you, no world for me  
Let's all get together soon, before it is too late  
Forget about the past and let your feelings fade away  
If you do I'm sure, you'll see the end is not yet near  
Where do we go?  
Where do we go?  
Where do we go from here?
