## Chick Webb & Ella Fitzgerald, Undecided

First you say you do And then you don't And then you say you will And then you won't You're undecided now So what are you gonna do? Now you want to play And then it's no And when you say, you'll stay That's when you go You're undecided now So what are you gonna do? I've been sitting on a fence And it doesn't make much sense 'Cause you keep me in suspense And you know it Then you promise to return When you don't, I really burn Well, I guess, I'll never learn And I show it If you've got a heart And if you're kind Then don't keep us apart Make up your mind You're undecided now So what are you gonna do? I've been sitting on a fence And it doesn't make much sense 'Cause you keep me in suspense And you know it Then you promise to return When you don't, I really burn Well, I guess, I'll never learn And I show it If you've got a heart And if you're kind Then don't keep us apart Make up your mind You're undecided now So what are you gonna do? Now if you don't love me I wish, you'd say so Our love is so much honey I just got to know I'm just a fool for you What are you gonna do?
