

# Chicken Shed Theatre, I Am In Love With The World

Chicken Shed Theatre  
Diana Princess Of Wales - A Tribute  
I Am In Love With The World  
I am in love with the world  
With its fires and its seas and its pain  
I am in love with the world  
As it spins round my soul again

## CHORUS

I fell in love with the world  
When it gave me a place to be (ooh)  
You cannot fall out of love  
With your world shining through (ooh)  
Let your world fall in love with you

With you

You think you're lost to the world  
With your life lived in shadows of fear  
(Shadows of fear)  
Days lost without you too long  
No-one close no-one kind no-one near  
(No-one near)

You try to hide when your world dies inside  
Never fade away (ooh)  
Dreams turn to stars so you don't  
Lose the end of your day (ooh)  
Let your world fall in love with you  
With you

I felt your feelings before  
And the world tried to pull me through  
Through all its time and its space  
It is speaking to you

## REPEAT CHORUS
