

Chickenfoot, Oh yeah

Wow wow, oh
If I were healer, I'd use my hands
I'd would put a spell on you if I were magic man
If I was Jesus, Buddha or a Kain
If I were a blues man or all I can sing about
How I want to be your hootchie cotche man
You got me outa your pain
"Oh yeah" come on baby tell me whatcha want
"Oh yeah" come on baby tell me whatcha need
"Oh yeah" nothing I wouldn't do for you
Oh yeah
When I was a young man I slept around
When I turned 30 time to settle down
To be your doctor, preacher, teacher that's the truth
Hey
I'm praying on me knee's
My soul is what I want to prove
Hey I just want to be your Hootchie cotchie man
To get you in and out of my head
"Oh yeah" so come on baby tell me whatcha want
"Oh yeah" come on baby tell me whatcha need
"Oh yeah" ain't nothing I wouldn't do for you
Oh yeah
Ow baby
Ow baby
Wow
Yey
Come on
Oh baby
Ow yeah
Well, well, well
If I were water I'd make you real
I'd want to touch you all night long on my spinning wheel
"Oh yeah" come on baby tell me whatcha want
"Oh yeah" come on baby tell me whatcha need
"Oh yeah" tell me what I can do for you
I said
"Oh yeah" come on baby tell me whatcha want
"Oh yeah" come on baby tell me whatcha need
"Oh yeah" I'd do anything for you wow
Oh yeah
Oh yeah
Hey ow yeah
